Please read the notes on page 2 and sign the declaration

I want you to collect some child support or domestic maintenance payments.
Please complete Question 7

7 Collecting payments

Tell us below the amount of child support or domestic maintenance you want us to continue to collect. Tell us the amount you want us to collect or the dates that you want us to collect payments for. For example:

- collect \$3,000 of the debt owed to me, or
- collect everything owed between 1 January and 30 June last year.

Write here which payments you want collected

Notes

- You cannot ask us to stop collecting child support for periods when you received an unsupported child's benefit.
- You cannot ask us to stop collecting child support for periods prior to 1 July 2023 if you were receiving a benefit at a sole parent rate.
- You can ask us to stop collecting domestic maintenance or court-ordered lump sums of child support even if you received a benefit at the sole parent rate.
- You can ask us to stop collecting some or all of the payments owed to you. You cannot stop us from collecting any penalties owed by the liable person as these are owed to the government.
- Once you ask us to stop collecting payments, you cannot at a later date ask us to collect them. However, it is still possible for you to collect the payments owing by applying through the District Court.

Declaration

I understand the option I have chosen in Question 6 and that any payments I do not want collected cannot be collected by Inland Revenue at a later date.
