ACC has access to summary of earnings reports under their information sharing agreement with Inland Revenue. This agreement allows Inland Revenue to provide ACC with necessary information to assess levies and calculate earnings-related compensation.

For historical earnings requests, ACC follows a standard process which involves submitting a formal request to Inland Revenue. This can be done through various means, including phone, email, or official forms.

Inland Revenue's website contains information about the Memorandum of Understanding and information matching agreements with ACC. These can be found here: www.ird.govt.nz/about-us/information-sharing/mous/acc
